

# Flash Dance

Max B

That's where I'm tryna go  
She's like, "The boy make them hits"  
You already know that, huh

Rocky Balboa, [?!]

I said, "What you want me to do?" (Do?)  
At the [?] nigga room (Room)  
I said, "What you want me to do?" (Do?)  
When every time that you look [?] arm (Arm)  
Gon' play this jam and make her dance like she never danced before ('Fore)  
Gotta look at this little lady, come, won't you be my baby?  
Don't be angry when I'm out on my tour (My tour)

What you want me to do? (Do?)  
At the [?] nigga room (Room)  
I said, "What you want me to do?" (Do?)  
When every time that you look [?] arm (Arm)  
Gon' play this jam and make her dance like she never danced before ('Fore)  
Gotta look at this little lady, come, won't you be my baby?  
Don't be angry when I'm out on my toes (My toes)

Got to roll that weed (Roll it), smoke that wood (Smoke)

Skippin' parole, got the hoes on me

What you want me to do? (Do?)  
At the [?] nigga room (Room)  
I said, "What you want me to do?" (Do?)  
When every time that you look [?] arm (Arm)  
Gon' play this jam and make her dance like she never danced before ('Fore)

Gotta look at this little lady, come, won't you be my baby?  
Don't be angry when I'm out on my tour (My tour)

You don't take it the way I give it  
Push a nigga, I live it  
Niggas know who [?]  
[?] prolific  
And now that my shit is boppin'  
Bitches they love my single  
They tell me, "Max Biggavelli  
You makin' my p\*ssy tingle"  
Won't you come and hit it  
Come and get it nigga, it's yours  
f\*ck with bitches like Tricky Niki  
And all of them hoes  
But now she pullin' down the [?]  
p\*ssy was good and juicy  
I love to f\*ck with you niggas  
But sorry Jimmy [?]  
Don't tell me how to live my life (My life)  
'Cause I already know what to do  
All these motherf\*ckers thinkin' the got clues  
Thinkin' they got juice, got [?]

My music puts you in the mood [?]

What you want me to do? (Do?)

At the [?] nigga room (Room)

I said, "What you want me to do?" (Do?)

When every time that you look [?] arm (Arm)

Gon' play this jam and make her dance like she never danced before ('Fore)

Gotta look at this little lady, come, won't you be my baby?

Don't be angry when I'm out on my tour (My tour)
