See the maggots try to breed, duplicate the niggas that's real

Niggas start shittin they pants when we roll up
Don't nobody move a muscle, this a hold up
Treat you like a beach chair, make you fold up
Drink the grand cru straight no soda
From the East to the West coast
Mami screaming baby don't cry
I'm the tears on the techs twos
Got me screaming I'm so high

Yea I got that kushy in the swisher sweets
Got that pussy in the Hilton suite
Got the Bentley with the built in seats

Send a full clip at your sternum, make you walk it out
