

Know No Good

Max B

They don't make shit like this for my Niggas hold y'all head hold y'all head Nick Gaines for my niggas man sing to them Biggav
el let's go

Don't you know no good you was getting a little cash so what possessed you to dip up in the stash don't you know no good I'm dressed in my camouflage baby and I'm doing about 80 on the dash
don't you know no good I've been meaning to meet you listen boss pimp it's cheaper to keep her don't you know no good come and ride with the felon no music no nothin we can ride acappella

I try be on the humble creeping through these jungles niggas bleeding from these bumbles I can reach and make you fumble we smoke the O's break the keys down to the bundle the bitches need a nigga they always tell me I love you Max can I have some hot boys everything I touch going platinum nigga I'm a all star four star general quit snacking on cocks nigga you need minerals nigga it's all about the Dollar 18 OT getting money popping my collar deez ride by in impalas I know what this game means history in the making y'all know when its Gain Greene pop the lead and let the thing steam drop the top I'm a dames dream I run trains on the main stream the big fifth make your frame lean I rip your legs off nigga

Don't you know no good you was getting a little cash so what possessed you to dip up in the stash don't you know no good I'm dressed in my camouflage baby and I'm doing about 80 on the dash
don't you know no good I've been meaning to meet you listen boss pimp it's cheaper to keep her don't you know no good come and ride with the felon no music no nothin we can ride acappella
