That Coco mango Paul  
I win  
They don't even know  
If there's a ghetto up in heaven I'm a bring five chairs

Daddy been working all day  
He need a break  
Let's go hop on the water bug  
Just for time sake (Yeah)  
It's mama birthday  
Today she need a cake  
I'm gon' get it on my own (I'll go do it)  
I'm a be straight (Yeah)  
Things are different now (Different)  
This a sweepstakes  
We popin from EMGs  
I'm trying to free slaight (Free)  
There's a guest list (Yeah)  
Bring some niggas out  
Came in the business  
A couple quickies and winter pie (Ouuu)  
That's a sound bit  
That's a down chair  
Play in the ha ma lays  
That was a round-trip (Yeah)  
I was doing right  
Mama told her well  
I'll order the women  
So show respect for your bottom girl  
Get her another truck  
Kiss on the bubble butt  
Bring us another round  
Tip her another buck  
Should've just flushed her out  
I was up and out  
Bet you taste the wave  
Hope I met your mouth

See I never know nobody that love me like this before  
I just drink a whole bottle of Hen on 64 (Ahh Ouu)

Yeah  
Hey Paul we're gonna get loopy on this shit baby lets get it

You gotta shook down shook down shook down all your loving (Yeah)

We just some niggas  
From Lennox tryna strive  
I grew up with my nigga Reid  
We played 95 (Don)  
Bigga Don wanna  
Get your moms fed up  
Fire the little pieces  
Shit is still on going  
Nigga get the dice  
This will fall better  
Call on the Boss Don

I'll make your song better  
Message from Poo Sims  
This long letter  
Got a foot on they ass  
Told me keep the pressure  
Give you a little lesson  
Spoken prophecies  
House on the hill me and my slippers  
Poppin threes  
Nigga could've had  
The game showed up  
Nigga fuck with the team  
Get your brain blown up  
You can fuck with the EMGs  
Came to slow up  
Middle finger in the air  
Till you niggas throw it up (throw it up)  
Fuck all you  
Devils we came from nothing  
They lovin my music  
When it be pumping

See I never know nobody that love me like this before  
I just drink a whole bottle of Hen on 64 (Ahh Ouu)

Gotta love that shit  
Hey Paul we working

You gotta shook down shook down shook down all your loving (Yeah)

I never know nobody that love me like this before  
I just drink a whole bottle of Hen on 64 (Ahh Ouu)  
She said [?]  
Look mama I hope you proud of your baby boy
