

## Side Shorty

Max B

Girl would you be my side shorty  
Even if I had a wifey  
Would you still ride with me, even if you couldn't be with me  
Girl would you be my side shorty  
Even if I had a wifey  
Would you still ride with me, even if you couldn't be with me

If you a'int a freak I can make you one  
The ghetto you living in I can take you from  
Buy you things and give you all of the cake you want  
Max is the only nigga that make you cum  
Only I could make ya, feel all heavenly  
Bring you to the dealership, peel off 70  
Rough day at the job, I can be your energy  
Hit me on the v3 I can be your remedy  
Tryna be your road dog baby not your enemy  
Twist a lil sizzurp, mix it with the Hennessy  
Fall back, had a Lil more than I simply  
Max and the dipset, about to make history  
Through your spell, but I never let it get to me  
Both wrists glissery broke bitch picture me  
Relax your self and come play with the boy  
Take a trip to the bin lay in bed with the boy  
Girl would you be my side shorty  
Even if I had a wifey  
Would you still ride with me, even if you couldn't be with me  
Girl would you be my side shorty
