Boss sh...  
Boss don  
This got that ride to it grease I ain't gon' lie  
Boss don back with another overseas wave  
Lets do it (oww)

Baby the place so wavy  
When Silver Surfer come to stage  
Keep the thing on the waist  
Leave the scene but no chase  
Pick you up where we got it  
Hit you up, leave you there, leave the party  
We boogie like we retarded  
It's like ow ow ow

I'm sorry, I'm sorry, she wanna fuck me in my car  
Always with a new broad, they say I go too hard  
These niggas acting tough homie that's what the crew for  
I keep stacking up muscle car backing up  
New bitch actin' up she get a pass 'cause she bad as fuck  
She wanna know where I'm at and what I'm doing  
Where I'm going, if you ain't pulling up it ain't important  
In a car you never seen 'cause it's imported  
Everything sorted, never boring  
They ain't on the shit that we be on  
We ain't rolling up to smoke unless the weed is strong  
Shorty sucking it like she in porn

Baby the place so wavy  
When Silver Surfer come to stage  
Keep the thing on the waist  
Leave the scene but no chase  
Pick you up where we got it  
Hit you up, leave you there, leave the party  
We boogie like we retarded  
It's like ow ow ow

Yeah, Peezy smoking on a paper plane  
Gain Greene, Taylor Gang fucking up the game  
Sipping on this Henny straight getting to the paper  
When it come to these hoes I got all flavors  
Pull up in the Beam' all black 750  
Don't run up on me wrong know I keep them killers with me  
Still here niggas know that the wave strong  
Come out your mouth and this 40 leave your face gone  
We the real deal you other niggas imitators  
Play around with the team you end up in the paper  
Rolling up the loud got your boy in the zone  
Niggas hate I got they baby moms in my phone

Baby the place so wavy  
When Silver Surfer come to stage  
Keep the thing on the waist  
Leave the scene but no chase  
Pick you up where we got it  
Hit you up, leave you there, leave the party  
We boogie like we retarded

It's like ow ow ow

The truth is back, the GT roof is back  
Tell the wave gods the groove is back  
Proof in facts, niggas ain't new to that  
Bring it to your whole crew like that  
Stop being greedy niggas wanna see me fail  
Tryna ride the wave but won't mention the Bigavel  
I'm in the cut little nigga where y'all at?  
Blowing on this KK, surfing four days flat  
Niggas out here fronting like they started the wave  
Not stopping the rave till y'all niggas behave  
We ain't having these new slaves, black skinhead  
Got a check, then he got a shave

Baby the place so wavy  
When Silver Surfer come to stage  
Keep the thing on the waist  
Leave the scene but no chase  
Pick you up where we got it  
Hit you up, leave you there, leave the party  
We boogie like we retarded  
It's like ow ow ow
