Got em tight why from the bank I too like my oh my  
What you think I should do  
Can't call the girl

She'll pick up, I'll say hi, we'll just fuck in my nice big ride  
She'll get stuck from the nice spliff I  
Like Chrisp I Ace of Spades  
Touch my man hit your face with a blade (with the blade)  
Hit your face with the K

Hold me, hug me, I'm alone  
Kiss me, dismiss me, time to go  
Gotta go, gotta go gotta go, gotta go  
Hold tight, all night, I get home  
Nigga that your wave can't get with me  
Make you shake ya ass bitch skip to the beat  
Out of control

Started out with the piff in the ride  
Light that wave put the piff in the sky  
What you think about him  
Knuck if you buck  
Climb on top and fuck till you bust  
I'ma fuck with you but I be on my shit  
Everyday life I be on the limb  
Stick to the wave  
Bullets in ya gut make you stick to the pain  
Stick to the grave I can pick with your brain  
Cherry red 4 door 6 in the lane  
Aye, niggas wanna pass me when I go slow

Kiss me, dismiss me, time to go  
Gotta go, gotta go gotta go gotta go  
Hold tight, alright, I get home
