Max B

(Intro)

You know you're boy a superstar ridin that five got the boy in
the building we coming strong (Prolific) Capo

We them superstars my niggas blowing on pound of smoke bring my
niggas around and go we them superstars and we only got a poun
d of dope bitch let me stick my dick down your throat we them s
uperstars we came from living on a day to day grinding on the s
treets as a life of a G (G) now we doing it bigger we got the i
ce & the prices that you need we them superstars

(Verse)

I came in this game cause I love it you can say it was my girl
couldn't sacrifice I wouldn't trade her for the world she keep
me cluddy she give me hickeys & plenty of smush keep me floodin
she stuff my Dickie with plenty of kush I be f*cking with thes
e bitches I know what they like I can make em think that they w
rong when I know that they right I done hit em all young chicks
the stronger the weak mama say the shorter the nigga the longe
r his meat I be ballin in the suite (Uhh Huh) I f*cks the bad b
itches smut em out beat the p*ssy up & then don't call em for a
week then O's they got it for cheap me & the homie bleek our o
verseas and G the fizzy with trips to Costa Rica

We them superstars my niggas blowing on pound of smoke bring my
niggas around and go we them superstars and we only got a poun
d of dope bitch let me stick my dick down your throat we them s
uperstars we came from living on a day to day grinding on the s
treets as a life of a G (G) now we doing it bigger we got the i
