

# Take My Time

Max B

Couture  
This such a classic  
Don Clooney what's good?  
We ain't finished baby, just go

I take a swig light up a blunt  
Soon as I'm comin' down do another one  
Dancin' 'til the sun come up  
Over lookin' the city all night  
Baby I'm feelin' alright  
Momma hold tight, let me get cha ear  
You're about to hear we swear  
Baby won't you come over come here  
Got Paul Couture  
Got Chloe Couture "baby"  
Played with Juicy Couture  
They loosey goose with the ball, man  
Special shout to the rest of my babies  
See it's a blessin' you here  
I could've left in the 80's  
All my nephews and nieces  
All the rest of the babies  
That nigga crazy  
Cousin's mad shady  
I got the word niggas tried to play me  
Me and Clooney on call numbers mad crazy  
These record labels be coming mad crazy  
Then started stressing another bad day, damn

Baby you don't know what you do to me  
See I just need to take my time  
All the fame, all the women it was new to me  
Now it's money on my mind

Yeah  
I wake everyday and I give thanks  
My niggaz meet at the table we sip drinks  
And dank money in the bank  
If baby say she could swim honey can't sank, yeah  
I got her mink and it's chinchilla  
The hell wit FEMA shit is Hiroshima  
You ain't think the shit is real I'll make you a believer  
I'ma defeat 'em love 'em never beat 'em  
Now this a coupe call her three seater Bigga  
We get the point, lit a couple joints  
You see every now and then I get to prove a point  
Like my leather so soft her butt so moist  
Plus she said she like my voice and I ain't gotta choice  
This a win win, nigga get the gin  
Said she like a nigga rims, let's take 'em for a spin  
Not by the hairs on my chinny-chin-chin

Baby you don't know what you do to me  
See I just need to take my time  
All the fame, all the women it was new to me  
Now it's money on my mind  
I just love to feel a good women's touch

And I just love to go on a ride  
I swear I don't care if they notice me  
I just wanna peace of mind  
Yeah
