

What It Do

Max B

What it do do do spit the truth truth truth let me through through through max did a bid pen up in again tryna go to a place where don't have police when I go hope everybody know me take the air out a nigga like a slow leak What it do do do spit What it do do do spit the truth truth truth let me through through through max did a bid pen up in again tryna go to a place where don't have police when I go hope everybody know me take the air out a nigga like a slow leak wanna show me I bet you that I can make your bitch go twirl I can make your bitch go hurl I can make your bitch go girl seen her in the club brought her to the bar got out to the club brought her to the car this that work flip that work clothes look dry then the 5th gon squirt one bad move ima hit you up big ole tool it'll fix you up slip you up give me that shine that's how I used to be on that grind did that time got back out go back in not that route gotta nigga lean tryna switch that game bullets toss squeeze when I hit that brain
