

# When I Wake Up

Max B

(Intro)

Got to do this shit right Boss Don Biggavel another rap classic  
for you Niggas good to see you baby I thought we were on the same page but we ain't even in the same motherf\*cking book sing it yea

(Verse)

Cock that nine i got a grip the llama on my hip mama she need a  
nother hit give her what she need because I rather her get this  
shit from me then another nigga talking about he sold mama the  
D fallen apples from the tree they green I red give me money f  
or my harmony I can get you armoury I can turn the 4 to 8 then  
I turn the 8 to 12 eat a fillet then I chase you down give this  
bitch the roach tell her baby come we can travel far i'm a fly  
you in and out of state buy you in and out of capes daddy been  
neglecting you I'ma make it better I just got to get my money  
first ride around with Scummy first waiting on the summertime b  
itches they get naked got to see them from there head to toe li  
ck them from the head to toe beat it then I let them go (Let Em  
Go) alrighty girl (Right) here goes your cab nighty nighty gir  
l

(Hook)

Every day that I wake up I don't feel like the usual (I Don't F  
eel It) I be trying to get my cake up (Cake Up) in a couple mil  
l I'll be feeling good sorry that we had to break up (Break Up)  
I thought the feeling was mutual baby I didn't mean to do to y  
ouuuuuu"
