

# Silence

Max Barskikh (Макс Барских)

Silence, silence in your heart  
It's tearin' me apart  
Burnin' deep inside of me  
And I'd be lying, lying to myself  
That I'd find somebody else  
Who could take your place  
Your love is all I need

You, you're all I need  
You, you're all I need  
You, you're all I need  
You, you're all I need  
All I need, all I need  
You, you're all I need  
You, you're all I see  
When I close my eyes and dream  
You're all I see  
You, you're all I need  
All I need, all I need

You, you're all I need  
You, you're all I need  
You, you're all I need  
You, you're all I need  
All I need, all I need

Won't you stay?  
There's so many things I'd say  
I've been asleep for days  
Now we're breakin' apart here in the dark  
Nothing at all compares to your love  
But loving you was never enough  
I put you first and gave you the world  
I'm ready to give you my all

But silence, silence in your heart  
It's tearin' me apart  
Burnin' deep inside of me  
And I'd be lying, lying to myself  
That I'd find somebody else  
Who could take your place  
Your love is all I need  
Your love is all I need  
Your love is all I need  
Your love is all I need

You're all I need, all I need, all I need  
You, you're all I need  
You, you're all I see  
When I close my eyes and dream  
You're all I see  
You, you're all I need  
All I need, all I need
