

# SLAY

Max Barskikh (Макс Барских)

I can't be copied  
I can't be touched  
You ain't hitting like this  
I'm about to fuck it up  
Big bag, big drip  
Don't make 'em like this  
I'm a bomb tick-tick  
I'm about to fuck it up

Bossed up  
Flossed up  
Sauced up  
Watch me  
You seeing this?  
You seeing this?  
You getting this?  
Watch me

Slay, slay, slay, slay  
Cause I slay, slay, slay

I'm a mutha fucking vibe  
It go up it's not an ordinary night  
Always on a different level on the rise  
They gon' play this from LA and to Dubai

I'm paid and I'm made  
And I clean up so nice  
Drop a bag on a tag  
I don't need to know the price  
Looking like a million dollars  
I ain't giving a fuck  
That's why they sweat me when I step in  
I be switching it up

Look at the drip  
Now check me out  
Pose for a pic  
And turn around  
Watch me  
You seeing this?  
You seeing this?  
You getting this?  
Watch me

Slay, slay, slay, slay  
Cause I slay, slay, slay

I'm a mutha fucking vibe  
It go up it's not an ordinary night  
Always on a different level on the rise  
They gon' play this from LA and to Dubai
