(Oh) baby I miss you
(Yeah) when do you come back home
I'm sorry sorry (yeah)

Late at night, I spaced out for a while before I got up
Your warmth that used to wake me up
Has now become a memory
I let you down let you down

I know it's over
But why am I hearing your voice calling my name?
I can't forget you
I just look for your traces and follow you every day

The more I try, the deeper the pain goes
The beautiful dream is now far away
Girl I love you so

Answer me, say it now
Say it now, your lingering voice
It's too late but slowly, say it now
Only after it was over, I'm standing here
Can't believe it

Baby I'm so sorry
For a long time, I'm so sorry
I still miss you
Hurry and answer me, say it now
Will anyone listen to me?
So here's my apology

Apology apology
Blame it all on me
Apology apology
Please smile for me
Your happiness is on me
Apology apology

I take out your photo all the time
Looking at our affectionate images
I painfully rip it up then tape it back together
I'm just worried (I'm following you)

Love gets thicker the more I erase it
Your arms that held me is now forever gone
Girl I love you so

Answer me, say it now
Say it now, your lingering voice
It's too late but slowly, say it now
Only after it was over, I'm standing here
Can't believe it

Baby I'm so sorry
For a long time, I'm so sorry
I still miss you
Hurry and answer me, say it now
Will anyone listen to me?
So here's my apology

Far away
You're still beautiful
I can't take it anymore
Don't leave me
Call me again
So when are you coming home?

Answer me, say it now
Say it now, your lingering voice
It's too late but slowly, say it now
Only after it was over, I'm standing here
Can't believe it

Baby I'm so sorry
