If it's easy, it's no fun
I know that
That's why I want you more
I can't hide it

We're a bit dangerous, you and me
I'm just attracted to you for no reason

If I take one step closer
You take two steps back
Don't be nervous
It just provokes me (the rough breathing)
The rough breathing
The rough breathing

Do you know this feeling?
If wanting to color in what's pure white?
The hidden expression in your innocent face
It's making me curious

If I take one step closer
You take two steps back
Don't be nervous
It just provokes me (the rough breathing)

The rough breathing
The rough breathing

The more I see you, the more I can't hold it in
Oh oh oh oh
Tonight, trust yourself with me
Let's awaken the hidden imaginations right now

Sometimes, as if we'll touch but won't
I'll burn you up
Sometimes, I'll warmly hold you
In my arms

The moment our breaths touch
We become one, you and me
Oh

If I take one step closer
You take two steps back
Don't be nervous
Why are you avoiding me (a little bit closer)
A little bit closer
A little bit closer
