Rain down on me

When I was stuck in tremendous hardships
Like a lost child
It was impossible to take even one step
Oh oh oh oh devil, you whispered to me

The reality is urging me to
Unavoidablly choose the harder path
It will get too tough for me

Oh oh oh oh devil, your brutal laugh

So just let it rain

(Rain down on me)
It's making me teary eyed
(Rain down on me)
Scalding tears
(Rain down on me)
Until all the tears are dried up
(Rain down on me)

Ooh my regrets keep me up at night
I gotta endure those beautiful
Yet endless uncertain times
Oh oh oh oh devil, I am no longer fearful

So just let it rain

(Rain down on me)
It's making me teary eyed
(Rain down on me)
Scalding tears
(Rain down on me)
Until all the tears are dried up
(Rain down on me)

Under the name of fate
In the twisted kwangya
Walk towards the light

(Rain down on me)
(Rain down on me)
Scalding tears
(Rain down on me)
Until all the tears are dried up
(Rain down on me)
Come on and let it rain

(Rain down on me)
I feel like I'm about to cry
(Rain down on me)
Scalding tears in my broken heart
(Rain down on me)
Let it rain on me until all the tears are dried up
(Rain down on me)
Rain down on me
