You must know that you're pretty
She enjoys the eyes of everyone
Even until the scent of a perfect fashion magazine
Getting ready for everyone, perfect image

You must be sick of the confessions you receive every day
They will try to get you using the same way
Oh baby, I'm different, will you believe me?
Let me give you what you deserve

Today is a neat necktie
To be transparent, black and white
Where's my suit and tie
Where's my suit and tie
Show me, I want to know your heart
Am I fine to love ya
I'm coming to you, oh yeah

High heels, high heels
Is it too high for me?
Before going up to her
High heels, high heels
Can't I reach you?
Will you be there forever?
And every time she walks by

At the sound of click-clack
Anyone, without exception
Is watching her
As if the click-clack has possessed them
I don't know how many hours have passed
My head is already full of you

Your heart changes by the second
I don't have a clue at all about what you want
If what is in that red lips
I'm curious about your everything

Today is a neat necktie
To be transparent, black and white
Where's my suit and tie
Where's my suit and tie
