End, the "End" we didn't talk about  
Today, I'm also by your side  
No, just one more day, one more day yeah  
This song is an overdue love song  
It's obvious that it will continue next time  
But just one more day, let's do it one more day

You're a little, I'm a little lonely  
This can't be our end  
A bitter smile on lips and  
A sigh like monologue  
You're a little, I'm a little lonely  
Why did it change like this  
Hugging each other  
Thoroughly, these two people

I'm a little I'm a little lonely  
I'm a little I'm a little lonely  
Thoroughly, these two people  
I'm a little I'm a little lonely  
I'm a little I'm a little lonely

Between time that stopped the emptiness  
A carelessly placed bookmark  
Woo, no, just one more day, one more day  
Silent lines, the same every night  
Uh, but just one more, one more

You're a little, I'm a little lonely  
This can't be our end  
A bitter smile on lips and  
A sigh like monologue  
You're a little, I'm a little lonely  
Why did it change like this  
Hugging each other  
Thoroughly, these two people

I'm a little I'm a little lonely  
I'm a little I'm a little lonely  
Thoroughly, these two people  
I'm a little I'm a little lonely  
I'm a little I'm a little lonely

You and I won't be filled  
Trying to press our bodies closer  
But with each other's temperature  
The cold heart won't melt

You're a little I'm a little lonely  
But I can't leave you  
I know that a day without you would be terrible

(I'm a little I'm a little lonely)  
It's not the last time  
(I'm a little I'm a little lonely)  
One more one last time  
(I'm a little I'm a little lonely)  
Hugging each other  
(I'm a little I'm a little lonely)

Thoroughly, these two people  
Thoroughly, these two people
