

# A\$\$hole (No Apologies)

Max Frost

It ain't my fault, why you so mad  
Now you wanna argue when I just wanna laugh  
We don't gotta make our ears ring over petty things  
Oh, nah, nah nah

Eh, know what I'm saying 'cause I just say it  
And if you love it I probably hate it  
Not sorry, I'm so opinionated  
Opinionated

We both know that I can be so cynical  
Sometimes hypocritical  
You tell me to check my ego  
But it ain't like you think though

I don't mean to be an asshole  
I guess it just comes natural  
But I know you love my brutal honesty  
Got no apologies  
I don't always gotta be right  
But you know I am most times  
And I'm sorry but I got a policy  
Of no apologies

You say, I'm such a pessimist  
I say, don't kill the messenger  
Okay, I talk a little reckless  
You call it arrogance, I call it common sense

Talk to me like you'll never talk to me again  
Sometimes you say you'll never talk to me again  
I might be wrong but at least I don't pretend  
This is how I am

We both know that I can be so cynical  
Sometimes hypocritical  
You tell me check my ego  
But it ain't like you think though

I don't mean to be an asshole  
I guess it just comes natural  
But I know you love my brutal honesty  
Got no apologies  
I don't always gotta be right  
But you know I am most times  
And I'm sorry but I got a policy  
Of no apologies

No apologies (Oho-o-ho-oh)  
No apologies (Oho-o-ho-oh)  
No apologies (Oho-o-ho-oh)  
No apologies  
(Oho-o-ho-oh)  
No apologies

I don't mean to be an asshole  
I guess it just comes natural

But I know you love my brutal honesty  
Got no apologies  
I don't always gotta be right  
But you know I am most times  
And I'm sorry but I got a policy  
Of no apologies

No apologies (Oho-ohe-oh)  
No apologies (Oho-ohe-oh)  
No apologies (Oho-ohe-oh)  
No apologies  
(Oho-ohe-oh)  
No apologies  
No apologies  
No apologies  
No apologies  
No apologies
