

Change Shape

Max Frost

Voice in your head, says that you don't need me no more
Think that I died, just because you walked out the door
You know this face, but you don't know me at all
I've been erased, now the person you knew is gone

And now you know, who's in control

I'm a fire in the rain, I'm changing shape
You and I are not the same, I feel no pain
Yeah, gaze in my direction
Eyes in my reflection
Never gonna look the same
I'm a fire in the rain, I'm changing shape

Went to your place, looked at me like you've seen a ghost
Caught in a maze, you're the one that needs me the most
You know this face, but you don't know me at all
I've been erased, now the person you know is gone

I'm a fire in the rain, I'm changing shape
You and I are not the same, I feel no pain
Yeah, gaze in my direction
Eyes in my reflection
Never gonna look the same
I'm a fire in the rain, I'm changing shape

And now you know, who's in control

I'm a fire in the rain, I'm changing shape
You and I are not the same, I feel no pain
Yeah, gaze in my direction
Eyes in my reflection
Never gonna look the same
I'm a fire in the rain, I'm changing shape
