

New Confessional

Max Frost

I tend around my mouth without caution
I tend to overthink way too often
I tend to let my mind wander, get lost, and
Look for where I started, but lately I've forgotten
I started feelin' like I had it figured out, man
Money slowed up couldn't pull the figure out then
I got the feelin' that I had to carry on, yeah
Hopped in a van to head to California
Reachin' for the nm but, baby, I'm no Michael Jordan
Thinkin' I can touch it even though you know I'm fallin' in love
When is it ever gonna be enough?
Gettin' what I need but needin' what I want
My hands up to the sky, lookin' up like oh my God
How you gonna leave me hangin' so long? So long, so long

Well, I, I, I, I, I, I, I
I keep lookin' for the answers, takin' my chances
Hopin' that it don't go wrong
Yeah, I, I, I, I, I, I, I
I keep hearin' what they all say, takin' the long way
Gotta do it on my own
New confessional
New confessional

I hear the wind and it's like a choir callin'
Pullin' on my soul, feelin' like a rocket
Wishin' I could fly up into the stars
Where everything is beautiful 'cause maybe that would soften me up
Pour a little more in my cup
Tell me when to stop if I'm sayin' too much
Hands on my head screamin' out, oh my God
I've been waitin' on this moment so long
So long, so long, so long, so long

Well, I, I, I, I, I, I, I
I keep lookin' for the answers, takin' my chances
Hopin' that it don't go wrong
Yeah, I, I, I, I, I, I, I
I keep hearin' what they all say, takin' the long way
Gotta do it on my own
New confessional
New confessional

'Cause I, I, I, I, I, I, I
I keep lookin' for the answers, takin' my chances
Hopin' that it don't go wrong
Yeah, I, I, I, I, I, I, I
I keep hearin' what they all say, takin' the long way
Gotta do it on my own
Well, I, I, I, I, I, I, I
I keep lookin' for the answers, takin' my chances
Hopin' that it don't go wrong
Yeah, I, I, I, I, I, I, I
I keep hearin' what they all say, takin' the long way
Gotta do it on my own
