

# Lonely

Max & Harvey

I've been spending  
All my nights alone  
And I've been thinking  
I'm just scrolling through my phone  
And I see that you're ghosting me  
Cause you don't have the energy  
But I know I'm gonna see you next week  
So tell me when you're gonna be free

Why you gotta be like that?  
Say you gonna go but you come right back  
Why you gotta act like that?  
If you're so happy, maybe you should go  
But you won't  
Swear I'm no good baby, take it slow  
Cause you know I won't  
Cause I don't wanna be lonely

I've been given every chance  
And only some of them from you  
Maybe that's why you're so distant  
Maybe that's why I am too  
Cause I don't wanna feel nothing  
Yeah the pain is still something  
Cause I don't wanna feel nothing  
I don't wanna feel nothin'

Why you gotta be like that?  
Say you gonna go but you come right back  
Why you gotta act like that?  
If you're so happy, maybe you should go  
But you won't  
Swear I'm no good baby, take it slow  
Cause you know I won't  
Cause I don't wanna be lonely

Why you gotta be like that?  
Say you gonna go but you come right back  
Why you gotta act like that?  
If you're so happy, maybe you should go  
But you won't  
Swear I'm no good baby, take it slow  
Cause you know I won't  
Cause I don't wanna be lonely

Why you gotta be like that?  
Say you gonna go but you come right back  
Why you gotta act like that?  
If you're so happy, maybe you should go  
But you won't  
Swear I'm no good baby, take it slow  
Cause you know I won't  
Cause I don't wanna be lonely

Why you gotta be like that?  
I don't wanna be lonely  
Why you gotta be like that?

I don't wanna be lonely  
I don't wanna be lonely  
I don't wanna be lonely  
Cause I don't wanna be lonely  
I don't wanna be lonely
