

# Words

Max & Harvey

How come when you're near me  
I have trouble speaking  
It's like I always trip on my tongue  
So I can never tell you  
The things I think about you  
There must be a million words but I'll be happy with just one

Are you feeling this connection?  
'Cause I'm so tongue tied, tongue tied

Ya I can take you in my arms  
Show you what I'm all about  
I could give you just one kiss and you'll know (you'll know)  
If only I could make you see  
All the things you do to me  
'Cause we both know the words don't mean a thing  
The words don't mean a thing  
The words don't mean a thing

When I see you in the corridor  
I stare down at the floor  
Just so I don't have to look so dumb  
I'm tying myself in knots but no they won't come undone  
You don't even know me but I'm stuck under your thumb  
So where do we go from here

Are you feeling this connection?  
'Cause I'm so tongue tied, tongue tied

And I can take you in my arms  
Show you what I'm all about  
I could give you just one kiss and you'll know (you'll know)  
If only I could make you see  
All the things you do to me  
'Cause we both know the word s don't mean a thing  
The words don't mean a thing  
The words don't mean a thing

It's here right on the tip of my tongue  
A million words but I just need one, one, one, one

And I can take you in my arms  
Show you what I'm all about  
I could give you just one kiss and you'll know (you'll know)  
If only I could make you see  
All the things you do to me  
'Cause we both know the words don't mean a thing  
The words don't mean a thing (are you feeling this connection)  
The words don't mean a thing (how do I get your attention)

Are you feeling this connection  
'Cause I'm so tongue tied, tongue tied
