

Numb

Max Jury

Hhhmmm... Hhmm!
Hhhmmm... Hhmm!
Hhhmmm... Hhmm!
Hhhmmm... Hhmm!

Honey, here I go again, Hhhmmm...
Down that crooked road of sin, Hhhmmm...
My momma locked me out again, Hhhmmm... Hhmmhmm!
And hung me high to rust under the rain

I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, Oohhh... Ohh... Ohh
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, Oohhh...

When I sing my stranger blues, Hhhmmm... Hhmm!
I make it on the local news, Hhhmmm... Hhmm!
Everybody likes to see you lose, Hhhmmm... Hhmm... Hhmm!
And hang you high to rust under the rain

I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, Oohhh... Ohh... Ohh

Little bluebird at my window
Sing a pretty song for me
Don't you know that you can fly, fly, fly away
Don't you know that you can leave

I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
I am numb, I'm numb
