

## The Most

Max McNown

I can't believe  
I get to see a side of you that no one sees  
And to be the man that you made out of me  
Honestly, it's the strangest thing  
When strangers turn into your everything  
You brought me safety that nobody else could bring  
Lucky me

Most people they don't know about the dimple when you smile  
How you feel so insecure about your laugh  
Most people they don't see the side of you that's free and wild  
And the Matthew 8:8 tattoo that you have  
Most people don't know the little things I know  
That's why to me, they mean the most

You don't know this  
But all those details that nobody else would notice  
Are the things that bring my whole world into focus  
What keeps me going

Most people they don't know about the dimple when you smile  
How you feel so insecure about your laugh  
Most people they don't see the side of you that's free and wild  
And the Matthew 8:8 tattoo that you have  
Most people don't know the little things I know  
That's why to me, they mean the most

I'm so thankful that I know  
The subtleties in every smile  
And heaven knows how much I love your laugh  
Most people they don't see the side of you that's free and wild  
And that Matthew 8:8 tattoo that you have  
Most people don't know the little things I know  
That's why to me, they mean the most
