

Baby Medley

MAX

Oh baby baby, how was I supposed to know
That something wasn't right here
Oh baby baby, I shouldn't have let you go
And now you're out of sight yeah
Show me, how you want it to be
Tell me baby cause I need to know now all because

Baby baby baby no
I'm like baby baby baby no [x2]
I thought you'd always be mine, mine

Come on over, come on over baby [x4]

You really can't stay but baby it's cold outside
You have to go away but baby it's cold outside
This evening has been so very nice
But baby it's cold out

Ice ice baby [x2]

Baby come back, any kind of fool could see
There was something and everything about you
Baby come back, uh, you can blame it all on me
I was wrong and I just can't live without you

I want my baby back [x13]

My loneliness is killing me (and I)
I must confess, I still believe (Still believe)
When I'm not with you I lose my mind
Give me a sign
Hit me baby one more time
