

Call Me Maybe

MAX

I threw a wish in the well
Don't ask me I'll never tell
I looked at you as it fell
And now your in my way.

I trade my soul for a wish
Pennies and dimes for a kiss
I wasn't looking for this
And now your in my way.

Your stare was holding
Ripped jeans skin was showing
Hot night wind was blowing
Where you think your going baby?

Hey, I just met you
And this is crazy
But here's my number
So call me maybe?

It's hard to look right
At you baby
So here's my number
So call me maybe?

Hey, I just met you
And this is crazy
But here's my number
So call me maybe?

And all the other boys
Try to chase me
But here's my number
So call me maybe?

You took your time with the call
I took my time with the fall
You gave me nothing at all
But still your in my way.

I beg, and borrow and steal
Have foresight and it's real
I didn't know I can feel
But it's in my way.

Your stare was holding
Ripped jeans skin was showing
Hot night wind was blowing
Where you think you going baby?

Hey, I just met you
And this is crazy
But here's my number
So call me maybe?

It's hard to look right
At you baby

But here's my number
So call me maybe?

Hey, I just met you
And this is crazy
But here's my number
So call me maybe?

And all the other boys
Try to chase me
But here's my number
So call me maybe?

Before you came in my life
I missed you so bad
I missed you so bad
I missed you so so bad.

Before you came in my life
I missed you so bad
And you should know that
I missed you so so bad.

It's hard to look right
At you baby
But here's my number
So call me maybe?

Hey, I just met you
And this is crazy
But here's my number
So call me maybe

And all the other boys
Try to chase me
But here's my number
So call me maybe?

Before you came into my life
I missed you so bad
I misses you so bad
I missed you so so bad.

Before you came into my life
I missed you so bad
And you should know that
So call me maybe?
