

Can't Hold Us

MAX

Let's do it
C'mon
What's up baby?

Na na na na na na na na

Return of the mac, get up! what it is, what it does, what it is, what it isn't

Looking for a better way to get out of bed

Instead of getting on the internet and checking a new hit me, get up!

fresh out pimp strut walking, little bit of humble, little bit of cautious

Somewhere between like rocky and cosby sweatergang nope nope y'all can't cop y

Yup. Bad, moonwalking, this here, is our party, my posse's been on broadway, And we did it, our way.

Grown music, I shed my skin and put my bones into everything I record to it And yet I'm on~

Let that stage light go and shine on down, got that Bob Barker suit game and plinko in my style.

Money, stay on my craft and stick around for those pounds,

But I do that to pass the torch and put on for my town

Trust me. I'm a I-N-D-E-P-E-N-D-E-N-T shit hustler,

Chasing dreams since I was 14 with the four track bussing halfway cross that city with the backpack

Caution, labels out here, nah they can't tell me nothing

We give that to the people, spread it across the country

Labels out here, nah they can't tell me nothing

We give it to the people, spread it across the country

Here we go back, this is the moment

Tonight is the night, we'll fight till it's over

So we put our hands up like the ceiling can't hold us

like the ceiling can't hold us

Here we go back, this is the moment

Tonight is the night, we'll fight till it's over

So we put our hands up like the ceiling can't hold us

like the ceiling can't hold us

nah, can I kick it? thank you. yeah I'm so damn grateful.

I grew up, really wanted gold fronts

But that's what you get when wu tang raised you

Y'all can't stop me, go hard like I got an 808 in my heart beat

And I'm meeting at the beat like you gave a little speed to a great white shark on shark week

Raw. Tell me go up. Gone!

deuces goodbye. I got a world to see, and my girl she wanna see Rome,

Cesar will make you a believer. nah i never ever did it for a throne.

that validation comes from giving it back to the people. nah sing a song and it goes like

Raise those hands, this is a party

We came here to live life like nobody was watching

I got my city right behind me

If I fall, they got me then from that failure gain humility and then we keep marching ourselves

Here we go back, this is the moment

Tonight is the night, we'll fight till it's over
So we put our hands up like the ceiling can't hold us
like the ceiling can't hold us
Here we go back, this is the moment
Tonight is the night, we'll fight till it's over
So we put our hands up like the ceiling can't hold us
like the ceiling can't hold us

na na na na na na na na
and all my people say
x4

Schnei-der brother
