

Girlfriend

MAX

Man I saw this girl yesterday
I think she lives next door
Alright, I'ma be a little dick, a little prick
I'ma come a little slick

Do you want a boyfriend? I could be it
I'm looking for a girlfriend, wanna be it?
I'm on bumble, tinder, never got a match
Humble, single, hubby to the max
Yeah I'm not that great in the sheets
I'll be honest
When I'm working with a goddess like you
Can I holla at you
Tryna make you my boo
Tryna tryna keep cool
Over with the tissues

Yeah it's kinda funny
She make a big boy blush
She be sweet like honey
Like a sugar sugar rush
And I'm spending money
Huh huh hope it ain't lust
And I hope ya hungry
I made you banana pancakes
You don't need to say thanks
Maybe just a kiss
I'ma have to pop the question
"Do you wanna have some kids?"
Whaaa wait, use protection
Yeah trust me, it's a lesson
We don't need to raise attention

Cuz I've been waiting
For someone with that extra special something
Wonder if it could be you
You're everything that I've been looking for
Here's what I'd do
If I had a girlfriend like you

If I had a girlfriend like you
(Gonna make you my boo)
(Come on, what you can do?)
Oh, baby
If I had a girlfriend like you

'I need a boyfriend' they made me say
Look at that guy there, he might be gay
In my mother sight you can't fucking lie, bitch
Now, I'm gonna tell y'all she want my boyfriend like this
He should be rich and happy not too skinny kind and cute and kinda handsome
□□□□□□□□ [as well girl]
Yeah mommy shu shu
Maybe maybe yeah kinda boyfriend like you
But sorry na baby I want a girlfriend too

Cuz I've been waiting

For someone with that extra special something
Wonder if it could be you

(Gonna make you my boo)
(Come on, what you can do?)
