

# I Will Wait

MAX

Well I came home  
Like a stone  
And I fell heavy into your arms  
These days of dust  
Which we've known  
Will blow away with this new sun

But I'll kneel down  
Wait for now  
And I'll kneel down  
Know my ground

And I will wait, I will wait for you  
And I will wait, I will wait for you

So break my step  
And relent  
Well you forgave and I won't forget  
Know what we've seen  
And him with less  
Now in some way  
Shake the excess

'Cause I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you

So I'll be bold  
As well as strong  
And use my head alongside my heart  
So tame my flesh  
And fix my eyes  
A tethered mind, freed from the lies

But I'll kneel down  
Wait for now  
I'll kneel down  
Know my ground

I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
And I will wait, I will wait for you  
I will wait for you
