

Make The Money

MAX

This is my job, I will not quit it
Pulled me out the depths when I thought that I was finished
Yeah I questioned if I could go the distance
That's just the work, regardless of who's listening, listening
Listen, I was meant to be a warrior
Fight something amongst me, leave here victorious
Classroom of kids, or a venue performing
If I'd done it for the money I'd have been a freaking lawyer
Concrete, vagabond, van telling stories
Humbled by the road, I'm realizing I'm not important
Life's a beautiful struggle, I record it
Hope it helps you maneuvering through yours and
That's why we stay in the lab at night
I've been staring into this pad for over half of my life
A true artist won't be satisfied
So I guess that's the sacrifice
And I say

Make the money, don't let the money make you
Change the game, don't let the game change you
I'll forever remain faithful
All my people stay true, and I say
Make the money, don't let the money make you
Change the game, don't let the game change you
I'll forever remain faithful
All my people stay true

Forget about the fame, fortune and the mansion
Sitting and tripping watching myself on a plasma
Yeah, I start slipping when I'm thinking about that stuff
Ego once swollen until karma catches that up, that up
I'm my grandma's number one grandson
I lost myself to remember who that was
We start thinking about some kicks, necklace
What I really need is a job off Craigslist
Take away the dot com, name, love
Fans, Twitter followers, and the buzz, and the buzz
See, you keep the issues but you take away the drugs
And I had to find out who I really was
Who I really wasn't
So sick of who I was becoming
Yeah yeah, tired of running
Time to look at the man in the mirror, so I can learn to love him

Make the money, don't let the money make you
Change the game, don't let the game change you
I'll forever remain faithful
All my people stay true, and I say
Make the money, don't let the money make you
Change the game, don't let the game change you
I'll forever remain faithful
All my people stay true
Yea yea yea stay true...

Of course I want dubs and a candy-painted 'lac
Watch the videos and get the girls in the back
But if that's what I believe in, and the reason that I rap

Uncle Sam is my pimp when he puts me on the track
Of course I want dubs and a candy-painted 'lac
Watch the videos and get the girls in the back
But if that's what I believe in, and the reason that I rap
Uncle Sam is my pimp when he puts me on the track

Now, make the money, don't let the money make you
Change the game, don't let the game change you
I'll forever remain faithful
All my people stay true, I said
Make the money, don't let the money make you
Change the game, don't let the game change you
I'll forever remain faithful
All my people stay true
