MAX

Yeah, yeah

The speakers were banging
In a crowded room (woah)
Was it that blue dress
That pulled me to you (woah)
We didn't say nothing
But our lips introduced (woah)
Knew there was something
And you felt it too (woah)

But you walked away (oh)
Didn't say your name (oh)
And I've been searching for you-ou-ou-ou-ou-ou
You disappeared (oh)
Just left me here (oh)
And I've been searching for you-ou-ou-ou-ou-ou

Ms. Anonymous
When I close my eyes
Feel your hips in my hands
Oh-oh-oh

Ms. Anonymous
I've got too far for just one more dance
Oh-oh-oh

You didn't need a tattoo
To get under my skin (woah)
Didn't need a gun
'Cause I let you in
(I let you in) (woah)
Am I your hostage?
'Cause I can't get loose (woah)
Thought you were falling, falling for me too (woah)

But you walked away (oh)
Didn't say your name (oh)
And I've been searching for you-ou-ou-ou-ou-ou
You disappeared (oh)
Just left me here (oh)
And I've been searching for you-ou-ou-ou-ou-ou

Ms. Anonymous
When I close my eyes
Feel your hips in my hands
Oh-oh-oh

Ms. Anonymous
I've got too far for just one more dance
Oh-oh-oh

I'd walk all through the rain
Just to know your name
Whatever gets me to you-ou (yeah)
And honestly
We'll make a great escape
Whatever gets me to you-ou

Ms. Anonymous
When I close my eyes
Feel your hips in my hands
Oh-oh-oh
Ms. Anonymous
I've got too far for just one more dance
Oh-oh-oh (2x)

Ms. Anonymous yeah
