# Problem (Cover)

**MAX**

Hey baby even though I hate you
I wanna love you I want you
And even though I can't forgive you,
I really want to I want you!
Tell me, tell me baby
Why can't you leave me?
'Cause even though I shouldn't want it
I gotta have it I want you!

Head in the clouds got no weight on my shoulders
I should be wiser and realize that I've got

One less problem without you
I got one less problem without you
I got one less problem without you
I got one less... one less...

I know you're never gonna wake up
I gotta give up but it's you!
I know I shouldn't ever call back
Or let you come back, but it's you!
Every time you touch me
And say you love me
I get a little bit breathless.
I shouldn't want it but it's you!

Head in the clouds got no weight on my shoulders
I should be wiser and realize that I've got

One less problem without you
I got one less problem without you
I got one less problem without you
I got one less... one less...

The best thing now is prolly for you to exit
I let you go let you back I finally learned my lesson
Either you want it or you just playin'
I'm listening to you knowin' I can't believe what you're sayin'
There's a million you's baby boo so don't be dumb
I got 99 problems but you won't be one
99 problems but you won't be one
You won't be one
Won't be one

Head in the clouds got no weight on my shoulders
I should be wiser and realize that I've got

One less problem without you
I got one less problem without you
I got one less problem without you
I got one less... one less...
