

SAY LESS

MAX

Uh huh
Say less, say less
Cuz you already got me, baby
Say less, say less
Talking's only slowin' us down

Do you believe in love at first sight
Or should I walk on by again
Cuz I don't know if I could survive
You took all my oxygen

She said, baby, what you talkin' about
Let's do something else with that mouth
That's what she said, she said

Say less, say less
Cuz you already got me, baby
Say less, say less
Talking's only slowin' us down (uh huh)
Say less, ah ah ah ah, ah ah ah ah

(Yeah, huh, yeah)
I'm a gentleman, baby, and a dog with a bite
I just wanna nibble on your ass all night
So sentimental when I step in the middle
When I do a little dance till it turns daylight
So, jump on it, in the moment
Margiela got me feelin' iconic
And if you can't groove she don't want it
Great sex, say less

She said baby what you talkin' about
Let's do something else with that mouth
That's what she said, she said

Say less, say less
Cuz you already got me, baby
Say less, say less
Talking's only slowin' us down
Say less, say less
Say less

You stop the room when you walk in
You let your hips do the talkin'
You're leaving me no options

Say less, say less
Say less

You stop the room when you walk in (you're a star)
You let your hips do the talkin' (yea, you are)
You're leaving me no options

Say less, say less
Say less, say less
Ah ah ah ah, ah ah ah ah
Say less

Ah ah ah ah, ah ah ah ah
Say less
