

# STUPID IN LOVE

MAX

Beautiful, beautiful, beautiful  
There's something about your eyes  
Tell me these feelings are mutual  
'Cause feelings are so hard to fight  
Know it's a little soon, maybe  
But I'd go anywhere you take me  
Long as you're calling me, baby  
They can all call us crazy

Let's get married in Vegas, we don't need guest list  
I don't wanna think too much  
Let's get matching tattoos, I don't wanna think it through  
Baby, I'm so stupid in love

So stupid in love with you  
I'm so stupid in love  
So stupid in love with you  
I'm so stupid in love

Hi, you came (Feelin' you)  
Babe, I've been waiting for you all day (Oh)  
So lean my way (My way)  
Let me just take away all the pain  
I know it's a bit soon for vows  
Paper rings are good for now  
But know, I'm already down the aisle  
'Cause I'm so stupid in love

Let's get married in Vegas, we don't need guest list  
I don't wanna think too much  
Let's get matching tattoos, I don't wanna think it through  
Baby, I'm so stupid in love  
Book a flight to Paris only one way  
What'd you think about sharing our last name?  
Let's get straight to "I do," I don't wanna think it through  
Baby, I'm so stupid in love

So stupid in love with you  
I'm so stupid in love  
So stupid in love with you  
I'm so stupid in love

So tell me right now, before we come down  
Can we make it work baby, let's find out  
Tell me right now, before we come down  
Can we make it work baby, let's find out

Let's get married in Vegas, we don't need guest list  
I don't wanna think too much  
Let's get matching tattoos, I don't wanna think it through  
Baby, I'm so stupid in love  
Book a flight to Paris only one way  
What'd you think about sharing our last name?  
Let's get straight to "I do," I don't wanna think it through  
Baby, I'm so stupid in love

So stupid in love with you

I'm so stupid in love  
So stupid in love with you  
I'm so stupid in love

Stupid in love with you  
Stupid in love  
I'm so stupid in love  
Beautiful, beautiful, beautiful
