

Titanium

MAX

(Verse 1)

You shout it loud
But I can't hear a word you say
I'm talking loud, not saying much
I'm criticized
But all your bullets ricochet
Shoot me down
But I get up

(Chorus)

I'm bulletproof, nothing to lose
Far away, far away
Ricochet, you take your aim
Far away, far away
You shoot me down
But I won't fall
I am titanium
You shoot me down
But I won't fall
I am titanium

(Verse 2)

Cut me down
But it's you who'll have further to fall
Ghost town haunted love
Raise your voice, sticks and stones may break my bones
Talking loud, not saying much

(Chorus)

I'm bulletproof, nothing to lose
Far away, far away
Ricochet, you take your aim
Far away, far away
You shoot me down
But I won't fall
I am titanium
You shoot me down
But I won't fall
I am titanium

I am titanium
I am titanium

(Outro)

Stone hard, machine gun
Fired at the ones who run
Stone hard, there's bulletproof glass

You shoot me down
But I won't fall
I am titanium x4

I am titanium.
