

When You Fall

MAX

You've been away so far away, no ones found you
Another day you let it rain but you don't have to
Cause you can't go on alone
So I swear to you if you let it go

That I'm gonna be the one to hold you when youre scared or when
you're cold
And I'm gonna be the light to save you when in the dark and bri
ng you home
If all of you're walls start caving on you, and all you're defe
nces can't protect you
And I'm gonna be the one to catch you when you fall

When you fall
ah oh oh 3x
When you fall
ah oh oh 3x

It's been so hard to mend your heart, so torn and broken
You're left in shots, put up youre guards
like we've never spoken
But you can't pretend you don't care
Just let go and dive in, and i'll be there

I'm gonna be the one to hold you, when you're scared and when y
ou're cold
And I'm gonna be the light to save you in the dark and bring yo
u home
If all of your walls start caving on you, and all of your defen
ces can't protect you
And I'm gonna be the one to catch you when you fall
When you fall

So what are you waiting for?
This will be like the waterfall
Promised you will never feel the floor
Cause I will catch you, I will catch you

And I'm gonna be the one to hold you when you're scared or when
you're cold
And I'm gonna be the light to save you in the dark and bring yo
u home
If all of you're walls start caving on you, and all you're defen
ces can't protect you
Then i'm gonna be the one to catch you when you fall

When you fall
ah oh oh 3x

When you fall
ah oh oh 3x
When you fall
