

Working for the Weekend ft. Bbno\$

MAX

Chorus: MAX

I've been workin' for the weekend
But that weekend never came
Will you pat my back tomorrow
If I break my back today?

Verse 1: MAX

Yup, yeah it's 7 am
And I can't seem to keep my eyes shut
Even if I get up
Even if I get beat down

Pre-Chorus: MAX

Will I be fine? Nah, nah, nah, nah
If I do my time? Nah, nah, nah, nah
I guess I'll sleep when I'm dead

Chorus: MAX

I've been workin' for the weekend
But that weekend never came
Will you pat my back tomorrow
If I break my back today?
I've been goin' off the deep end
My sanity's at stake
Will you pat my back tomorrow
If I break my back today?
If I break my back today?

Verse 2: bbno\$

Baby, you know
I was broke, well, I still am
Mama said, "If you don't work, it might hit the fan" (I got it)
I'm on my money grind I'm diggin' up bands
You cannot find me in the club unless I'm savin' at Sam's
'Cause I'm a work work work work workaholic
And a guap guap guap guap guapaholic (True)
They say I've got a problem I believe in money trees
I've been workin' on the weekend
To cop a spot in Belize

Pre-Chorus: MAX

Will you stick by? Nah, nah, nah, nah
While I do my time? Nah, nah, nah, nah
I guess we'll hang when I'm dead

Chorus: MAX & bbno\$

I've been workin' for the weekend
But that weekend never came (No it didn't)
Will you pat my back tomorrow
If I break my back today?
I've been goin' off the deep end
But my sanity's at stake (Uh-huh)
Will you pat my back tomorrow (Woah)
If I break my back today? (Break my back today)
If I break my back today?

Post-Chorus: MAX & bbno\$

La-la-la-la
Nah-nah-nah-nah (La-la-la-la-la-la-la)
La-la-la-la
Break my back today

Pre-Chorus: MAX
Will you stick by? Nah, nah, nah, nah
While I do my time? Nah, nah, nah, nah
I guess we'll hang when I'm dead

Chorus: MAX
I've been workin' for the weekend
But that weekend never came
Will you pat my back tomorrow
If I break my back today?
I've been workin' for the weekend
But that weekend never came
Will you pat my back tomorrow
If I break my back today? (Break my back today)
I've been going off the deep end
But my sanity's at stake
Will you pat my back tomorrow
If I break my back today? (Break my back today)
If I break my back today?

Outro: MAX
Yeah, I got to get the weight off
Yeah, I got to get the weight off
Yeah, I got to get the day off (Break my back today)
Yeah, I got to get the weight off
Yeah, I got to get the weight off
Yeah, I got to get the day off (Break my back today)
