

Charmonium

Max Webster

if you lean too hard, i just back away / from your blackmail ey
es
if you cut me off, you might find / that grin is a thin disguis
e
C--but don't let it weigh--don't let me mess up your day
 just find my bell and ring it / take me on and wing it
 find my bell and ring it
it's plain to see that you waste your time / punching holes in
me
you should know by now that your sad eyes / won't get me on my
knees--C
