

Sun Voices

Max Webster

(M--Mitchell; L--DuBois)

C--in my chair chaise lounge / at my pool / nudes and rave reviews

in my chair chaise lounge / i am hearing sun voices / long and loud

in and out of daydreams i'm drifting / the beat of my heart is delayed

waiting for wind...my face to the sun / deep into daydreams if

the dove and the hawk are leaving / earth / a million vacations away

deeper in sundreams i rave

sun voices long and loud...C
