Gucci Bag

Max

I'm in my Gucci bag (Yeah)
Lookin' so damn fly
Come and kiss me, babe (Why)
Take me satellite high
Supernova with me (Ooh)
We can burn, baby, burn
Tonight, tonight (Yeah)

Slide for a minute with the windows down
Under velvet and tangerine sky

Palm trees in Beverly Hills (I'm feelin' breezy)
Cold as the Buffalo Bills (Goddamn, I'm freezin')

I'm in my Gucci bag (Yeah)
Lookin' so damn fly
Come and kiss me, babe (Why)
Take me satellite high
Supernova with me (Ooh)
We can burn, baby, burn

Tonight, tonight (Yeah)

Want you to wear me on your shoulder
On your hip like I'm your holster, alright (Alright)
Feels expensive like it's supposed to
Head rush, roller coaster all night (All night)

Palm trees in Beverly Hills (I'm feelin' breezy)
Cold as the Buffalo Bills (Goddamn, I'm freezin')

I'm in my Gucci bag (Gucci bag)
Lookin' so damn fly
Come and kiss me, babe (Why)
Take me satellite high (Ooh)
Supernova with me (Ooh)
We can burn, baby, burn (We can burn)
Tonight (We can burn), tonight
