Lights Down Low

Max

Heaven only knows where you've been.
But I don't really need to know.
I know where you're gonna go.

On my heart where you're resting your head.
And you just look so beautiful.
Just like you were an angel.

Can I stop the flow of time?
Can I swim in your divine?
'Cause I don't think I'd ever leave this place.

Oh.
Turn the lights, turn the lights down low.
Yeah.
Now I'm feeling you breathing slow.

'Cause, baby, we're just reckless kids
Tryna find an island in the flood.
Oh.
Just turn the lights, turn the lights down low.
Oh.

Under heavy skies in the rain
You're dancing in your bare feet
Just like we're in a movie.

Grab my hand and we're chasing the train.
I catch you looking back at me
Running through a cloud of steam.

Can I stop the flow of time?
Can I swim in your divine?

'Cause I don't think I'd ever leave this place.

Oh.
Turn the lights, turn the lights down low.
Yeah.
Now I'm feeling you breathing slow.

'Cause, baby, we're just reckless kids
Tryna find an island in the flood.
Oh.
Turn the lights, turn the lights down low.

And I would give you everything, baby.
But can you feel this energy? Take it.
And you can have the best of me, baby.

And I would give you everything.
But can you feel this energy? Take it.
And you can have the best of me, baby.

Oh.
Turn the lights, turn the lights down low.
Yeah.

Now I'm feeling you breathing slow.

'Cause, baby, we're just reckless kids
Tryna find an island in the flood.
Oh.
Turn the lights, turn the lights down low.
Oh.

Oh, oh.
Turn the lights down low.
Oh, oh.
