

Seconds Later

Maxeen

I'm sorry, please excuse me
Now what was that you said?
Now I'm not hard of hearing
I'm just not interested
And not tomorrow, not today
????? behave this way
I'm sure you've got a lot to say
But nothing's getting through
Seconds later, I'll be dreaming, dreaming
Seconds later, I'll be dreaming, dreaming
All these ????? are moving
I could not seem to care
They think that we've got something
?????
And not tomorrow, not today
????? behave this way
I'm sure you've got a lot to say
But nothing's getting through
Seconds later, I'll be dreaming, dreaming
Seconds later, I'll be dreaming, dreaming
Seconds later, ????????
Seconds later, I'll be dreaming
We can't communicate
So hard to relate
???
As we begin to separate
??
I'm still confused
I'm sure you've got a lot to say
But nothing's getting through
Seconds later, I'll be dreaming, dreaming
Seconds later, I'll be dreaming, dreaming
Seconds later, ????????
Seconds later, I'll be dreaming
Seconds later, seconds later
Seconds later, seconds later
