

# I Only Have One Heart

Maxi Priest

If love was a thing that money could buy  
The rich would live and the poor would die yeah yeah

I only have one heart  
Don't tear it all apart  
I don't know where to start  
Cause I can't wait forever for you

The way you treat me baby  
I just don't understand  
The way you hold my hand  
I thought I was your man  
And all the things I wanted  
And all that we've been through  
I've never loved no one the way that I loved you

So why you treat me so bad  
I almost go mad  
I wouldn't do the things that you do  
Now I'm sad  
I thought I had you  
Now it's an impossible dream that will never come true yeah

I only have one heart  
Don't tear it all apart  
I don't know where to start  
Cause I can't wait forever for you

Some things I hear you say  
It just don't go that way  
The things I see you do  
Ooh what happen to you  
So tell me what went wrong  
I thought our love was strong  
I guess I had it wrong  
Tell me what's going on

'Cause now I'm down on my knees  
I'm begging you please  
Girl if you don't want me  
Set me free for a love  
That's waiting for me  
There's got to be a better way  
And someone who really loves me

I only have one heart  
Don't tear it all apart  
I don't know where to start  
Cause I can't wait forever for you

Nanananana, nanananana I can't wait for you no way no way  
Nanananana, nanananana I can't wait for you no way

I only have, have one heart  
I only got one heart  
I only have, have one heart  
I don't know where to start

'Cause I can't wait forever for you

If love was a thing that money could buy  
The rich would live and the poor would die
