Maxi Priest

Mary's got a baby pretty little baby  
What am I supposed to do  
I try my best to help her, show her that I care  
But brothers got their problem too

Hot man fi get a hot woman ya  
Rastaman fi get a ras woman ya  
A lioness fi get a lion right right

Too much drama and commotion that's surrounding me  
It's a sticky situation and I can't break free
