

So Whats Going On

Maxi Priest

I just wanna know what is going on with you
I can see it in your smile oh baby
I just wanna know what is going on with you oh lady
Won't you tell me what's on your mind

Lately you're not the same
Tell me what have I done to you for you to change
There must be something that I don't know about
Baby you gotta tell me so we can work it out
I'll be there for you
No matter the problems we can work it out woh baby

I just wanna know what is going on with you
I can see it in your smile oh lady
I just wanna know what is going on with you
This character is not your style

Listen

See I remember back in the day
You were a happy go lucky girl oh yeah
Loving all night little champagne on ice yeah
Every little thing was alright alright
Dressed to impress at any request ooh baby
But now you've lost that smile oh lady

I just wanna know what is going on with you
I can see it in your smile oh yeah
I just wanna know what is going on with you
Lately it's happening all the time baby baby baby oh oh

Won't you tell me lady oh oh oh
I wanna know now oh baby baby baby

I just wanna know what is going on with you
I can see it in your smile
I just wanna know what is going on with you
This character is not your style
