

Time Of The Year

Maxi Priest

It's that time of the year
To share some love
Time of the year
To spread joy
It's that time of the year
To spread some love
Time of the year to share joy
Bells are ringing, people smiling
Folks are singing and everyone is happy
And feeling joy
Snow is falling, fire is burning
And kisses under the mistletoe
And I got this present for you baby
And ain't that what this time is for

One glass of Champagne for you baby
And two, you're my sip of sherry amour!

It's that time of the year to spread some love
It's that time of the year to share some joy
It's that time of the year to spread some love
It's that time of the year to share some joy
Let's light a candle and stand by the tree
Play some music baby won't you dance with me

Happy New Year to you baby
I'm wishing you joy
Let's celebrate this time together baby

Right here, right now, I'm yours

It's that time of the year to spread some love
It's that time of the year to share some joy
It's that time of the year to spread some love
It's that time of the year to share some joy
Let's light a candle and stand by the tree
Play some music baby won't you dance with me

Baby let's go outside and say hello to the snowman
Cuddle in the cold
Listen to the children sing their carol songs
Cause everybody, everybody, everybody, everybody knows

It's that time of the year to spread some love
It's that time of the year to share some joy
It's that time of the year to spread some love
It's that time of the year to share some joy
Let's light a candle and stand by the tree
Play some music baby won't you dance with me...
