

Court My Eyes Alone

Maximilian Hecker

Every day I wake with the sunlight in my eyes
Every day I wake with a lonesome heart to cry
Until you call me
Until you wake me up
Until you wonder to court my eyes alone
Until you wonder to court my eyes alone

But don't you leave me
And don't deceive me
I'm coming out to call and doubt my way
Don't you leave me
Don't deceive me
I'm coming out my way
