

## Silly Lily, Funny Bunny

Maximilian Hecker

I'm climbing up the walls of your  
Head over heels built up house  
I scream and I lean in vain tonight  
Remember the words that I said  
I keep on knocking at your door with my head  
As you're silly, Lily  
I keep on knocking at your door with my head  
As you're funny, bunny  
I'm craving for your leftover kiss  
Tasting like drops of cold rain  
I'll drink and I'll drown and ruin the whole world  
So think of the words that I said
