

# Losing Game

Maximillian

I think I lost my mind  
I got a feeling something's wrong  
It's like I'm falling down  
Like the world I know is gone  
And I'm on my own  
Yeah I'm all alone  
I must've lost my mind  
Lost my mind

I'm playing all or nothing  
With the devil watching

Love is a losing game  
Deceiving  
Believe it  
That love is a losing game  
My heart is  
Defeated  
I'm trapped and I can't escape  
Oh baby  
Just tell me  
What do you want from me?  
Yeah what can I even say  
This love is a losing game

I'm throwing loaded dice  
Playing dirty 'cause I wanna win  
Something about your eyes  
It got me betting on my every spin  
Will you keep me close  
Never let me go  
And never tell me lies  
Tell me lies

I'm playing all or nothing  
With the devil watching

Love is a losing game  
Deceiving  
Believe it  
That love is a losing game  
My heart is  
Defeated  
I'm trapped and I can't escape  
Oh baby  
Just tell me  
What do you want from me?  
Yeah what can I even say  
This love is a losing game

Take my money  
Waste my nights  
Thinking 'bout her all the time  
Devil by my shoulder side  
Here let me know

Love is a losing game

Deceiving  
Believe it  
That love is a losing game  
My heart is  
Defeated  
I'm trapped and I can't escape  
Oh baby  
Just tell me  
What do you want from me?  
Yeah what can I even say  
This love is a losing game  
  
Love is a losing game
